I met a girl up on the pills
Sky blue eyes and a little pale
Come here hussy tell me the story
About the TV ads show you the glory
Movies show the murder stories
Like they want us all to just
Kill, kill, kill
Day dream kiddy they will feed you pills
Dope you up then dreams are killed
Drug companies go on killing
Abortion doctors giving pills free
Every time I think of nothing
Something says you got a good
Pill, Pill, Pills
Like old people wearing diapers
Makes me mad makes me hyper
Kill, kill, kill
