She say she hasn't fucked him in a month, don't touch
That's what she'll say if you drink too much, the slut
She's a man hater wants some new meat really angry
Try not to love her so she doesn't hate me
The dykes grab and kiss her like a slut, grab butt
The guys know that they can't touch, it sucks
She's a man hater it was tough I used to date her
Try not to love her so she doesn't hate me
She's a man hater wants some new fresh meat really
saucy
Try not to love her so she doesn't hate me
I listen I love her but I don't hear her hate
