Mullet man get a trim cut that hair  
Hiding your redneck there  
Mullet man you got a girl she's only 10  
Rape of an innocent  
Did it with my woman last all night yeah  
Did it with a child don't last long no, your evil  
Took the child fondled wild his girl off a cliff  
Rape of an innocent  
In a coma step dad owns ya he raped your child  
Just to get a fix  
Did it with woman last all night yeah  
Did it with a child don't last long, you're wicked  
Did it with my woman last all night yeah  
Did it with a child don't last long, yeah wicked  
Blamed it on the father you scum you killed  
Now he sits in jail all life long, you're evil
