It's free, this use of me.
The pay, that you'll stay away.
They said hey play today
No tomorrow drunken fame
Hey judge tell the cops stop lying find me guilty before
they tried me
Tied me up stuck to the cross, no more pain, no more
boss, it's free
This use of me
The pay that you'll stay away
Kid tried suicide, got real high never died
Lead
It's free, this use of me
The way it never pays
Carpet crawling all night long clean tomorrow dirty
dawn
Hey judge tell the cops stop lying find me guilty before
they tried me
Tied me up stuck to the cross, no more freedom, no
more boss, it's free
