Every time I look away I get done some wrong
Then I say it's another day to move this band along
Corporate rock called yesterday to say you gotta
change your name
They bought "The Pimps" from the trademark office
and put it on some fakes
At first to change our name brought tears so changing
there's no way
But then we thought we might just want to try what the
corporates say
We tried the tricks the sex appeal implants the
heartaches bishops suckers
Stupid funking pricks honkey assholes want our name
Corporate rock called yesterday to say you gotta
change your name
They bought "The Pimps" from the trademark office
and put it on some fakes
Pimps change your name
Change your name
