look, i dont watch what they do, i make moves with no
time to take two, no crazy radio wont play you and no
recognition means they dont pay you, so i suppose i
gotta make room, create my own name
and get played soon, stay true, and if i dont break
through, ill still be on the beats like mikes own
label, yeah iv been around for time, iv put work in,
nobody can doubt my grindings worth it,
am about to shine, cos my lifes getting high im certain
cos im down to fight for whats mine like pray like a
thousand times, i sat to the fact im nice is the amount
of run, and still a pound of rhymes
allow the hype from my finger trap, when you hear this
what you bet ill do it til my lungs collapse, and my body
will understand. im done hustling for crumbs and
scraps, mine brought up in the back like hands in the
air,
