Brooklyn, New York  
Queens, New York  
The Bronx, New York  
New York, New York  
Staten Island, New York  
Long Island, New York  
Yonkers, New York  
Yeah, get it right niggas, we live and die this shit

All I got is my niggas, my family dunn  
All I live for is them, I die too dunn  
For my doggies my loyalty is crazy  
My heart'll turn cold, cause they would do the same for me  
All I know is this Mobb shit  
Me and my comrades runnin' through the states sound bombing  
Every ghetto, every hood, every project, every slum  
What what, any two, any one  
You don't like me, step up front or hold your tongue  
Cause I don't play those games I'll burn ya  
Your wife wanna stare nigga, so we fucked her  
She love it when I spit on her, when I fuck her  
Ain't not'in sweet, ain't no'tin change wit' P  
Except now I got more places to lay my hat  
I break my back for my clique  
Go 'head and try that shit  
You'll be a hurt nigga the day you try that shit
