I sleep with one eye open  
Sometimes I might close em  
But if immediate action is required I'm fucking loaded!  
I know my exit strategies  
And I never plan anything so that in 15 minutes I can be  
absolutely  
Anywhere  
Within radio contact  
But once I'm on point and the radio contacts are noisy  
we go dark

Coz life moves pretty slow  
If you don't even show up for the show you might never  
know!

I'll go out without a blink  
Out without a blink  
I'll go downtown without thinking  
And shout over a drink  
I'll go out without a blink  
Out without a blink  
I'll go downtown without thinking  
And shout over a drink

All the people in the place  
All the people in the place

Any hesitation  
Anything tying you to the bed where you sleep - you're  
dead on your feet!  
There's nothing on my person but money & a shirt  
In case any unexpected fun shit should occur  
Where I have to think on my feet  
And plan it on my own  
Hand to hans solo!  
Or tab it back home

Coz life moves pretty slow  
If you don't even show up for the show you might never  
know!

I'll go out without a blink  
Out without a blink  
I'll go downtown without thinking  
And shout over a drink  
I'll go out without a blink  
Out without a blink  
I'll go downtown without thinking  
And shout over a drink

All the people in the place  
All the people in the place

Take time in any new environment to relax  
But if fenced in advance the best defence is attack!  
Piss poor planning proceeds any proper party  
Where you don't know your out-outs until you're  
shouting  
Don't hang back like a bore  
Backs packed by the door  
Rags in a black backpack and a dashed in passport

Coz life moves pretty slow  
If you don't even show up for the show you might never  
know!

I'll go out without a blink  
Out without a blink  
I'll go downtown without thinking  
And shout over a drink  
I'll go out without a blink  
Out without a blink  
I'll go downtown without thinking  
And shout over a drink

All the people in the place  
All the people in the place

Coz life moves pretty slow  
If you don't even show up for the show you might never  
know!

I'll go out without a blink  
Out without a blink  
I'll go downtown without thinking  
And shout over a drink  
I'll go out without a blink  
Out without a blink  
I'll go downtown without thinking  
And shout over a drink

All the people in the place

All the people in the place
