Yeah she was my accomplice
Yeah she took off her prom dress
Don't you dare forgive me
Don't you dare forgive me
Who is the king of coronas
Who is the king of coronas
Because i don't know what i need
But i know what you mean to me
No one's perfect

I am sorry reka
I am sorry reka
I am sorry reka
And i am sorry baby
I am sorry reka
Because i don't know what i need
But i know wha tyou mean to me
No one's perfect

Don't you dare forgive me
And sit next to me while i'm singin
And tell me who is the king of coronas
Sometimes in summers i drink coronas

And back to back with fake smiles
And back to faking your smiles

Cause i don't know what you want baby
All i know is what you mean to me
No one's perfect

Does it take the pain away
Just to give the pain away
And we are young so we can try
But we'll never get it right
So live it up but only for tonight

Don't you dare forgive me
And sit next to me while i'm singin
And tell me who is the king of coronas
Sometimes in summers i drink coronas

Back to back with fake smiles
Back to faking our smiles

Cause i don't know what you want baby
All i know is what you mean to me

You are perfect.
