My love,
I'll never find the words my love, to tell you how I feel
my love.
Mere words, could not explain.

Precious love,
You held my life within your hands, created everything
I am,
Tought me how to live again.

Only you,
Care when I needed a friend, believed in me through
thick and thin,
This song is for you, filled with graditude and love...

(Chorus) God bless you, you make me feel brand new,
For God bless me with you, you make me feel brand
new,
I sing this song 'cause you, make me feel brand new.

My love,
When ever I was insecure, you built me up and made
me sure,
You gave, my pride, back to me.

Precious friend,
With you I'll always have a friend, your someone who I
can depend,
To walk a path that sometimes bends.

Without you,
Life has no meaning or rhyme, like notes to a song out
of time,
How can I repay, you for havin' faith in me...

(Chorus) God bless you, you make me feel brand new,
For God bless me with you, you make me feel brand
new,
I sing this song for you.
