I'm gunna try for you.
I'm gunna try for you.
I'm gunna try for you.
Cause I know that you know.
And I care that you care.
I'm gunna try for you.
I'm gunna try for you.
I'm gunna try for you.
Cause I know that you know.
And I care that you care.
I know the secrets inside your head.
All the secrets you keep aren't good for me.
I know the secrets inside your head.
Not good enough.
And you got beautiful eyes.
And you got beautiful eyes.
I'm gunna try for you.
I'm gunna try for you.
I'm gunna try for you.
Cause I know that you know.
And I care that you care.
I'm gunna try for you.
I'm gunna try for you.
I'm gunna try for you.
Cause I know that you know.
And I care that you care.
I know the secrets inside your head.
All the secrets you keep aren't good for me.
I know the secrets inside your head.
Not good enough.
And you got beautiful eyes.
And you got beautiful eyes.
I'm gunna try for you.
I'm gunna try for you.
I'm gunna try for you.
Cause I know that you know.
I'm gunna try for you.
I'm gunna try for you.
I'm gunna try for you.
Cause I know that you know.
And I care that you care.
I'm gunna try for you.

I'm gunna try for you.
I'm gunna try for you.
Cause I know that you know.
And I care that you care.
I'm gunna try for you.
I'm gunna try for you.
I'm gunna try for you.
Cause I know that you know.
And I care that you care.
