Verse 1:
Girl if I could tell you how much I love you it hurts inside
Until you wake me out of my sleep
You bring me joy from all this pain some how the
feelings all the same I don't care how old we are cause
love don't have no limit no
These 3 words I sing to you let them show my gratitude
for hangign out with me tonite
I promise you love and no harm come let me hold you
in my arms as long as I am standing here there's no
need for you to fear no more
Chorus:
Let me be your fire(let me be your fire)
Cause your my one desire(you are my desire)
If you kiss me I won't tell (I won't tell)
Just meet me by the swings in the park after dark yeah!
Verse 2:
I always ask my self the same questions each and
everyday
Why am I so blessed to have you (to have you yeah)
Then I realize it's that look in your eyes that always take
me by surprise don't wanna spend my whole life
through growing up and missing you Ohhhhh
Chorus:
Let me be your fire(let me be your fire)
Cause your my one desire(you are my desire)
If you kiss me I won't tell (If you kiss me baby I won't)
Just meet me by the swings in the park after dark.
