Like a fool I'm failing falling
In a web I'm trapped and calling
Into a thousand million pieces
I will shatter if and when she pleases
She has a way of making me feel wild
Has me feeling just like a child
Am I weak or is it just too tempting
To see the smile in her eyes unending

She's gonna leave me paralysed
She's gonna leave me terrified

She's a devil with a KISS KISS BANG BANG
Bad blood running through her veins
She's a fire with a KISS KISS BANG BANG
You will never ever be the same

Just take a look at me I'm shaking
Tonight it's gonna have me breaking
Into a thousand million pieces
I will shatter if and when she pleases
She has a way of making me feel wild
Has me feeling just like a child
Is it heaven or is hell there waiting?
Is there anypoint hesitating

She's gonna leave me petrified
She's gonna leave me traumatised

She's a devil with a KISS KISS BANG BANG
Bad blood running through her veins
She's a fire with a KISS KISS BANG BANG
You will never ever be the same
[x2]

I can't escape her,
Try as I can
And I just can't hate her
Try as I can, I can

She's a devil with a KISS KISS BANG BANG

Bad blood running through her veins
She's a fire with a KISS KISS BANG BANG
You will never ever be the same
[x2]
