Can't you hear me
Shout across the land
Living my dreams
Makin' my own way

Take a look what do you see
A million tears a millions dreams
Seen things you won't believe
The touch of life is my release

Energized
No time to waste
Tried and true a twist of fate
No matter what i always wait

Hold on -
I'm never be the same
I'm falling
Freedom for us all

She's a liar
A union of lies
She's a liar

You could never tell me
Anything at all
I thought i had the answers
Till I took a fall

Desperation
I swear that's it's true
There's nothing else I wanna do
I know which way i'm going

Hold on -
I'm never be the same
I'm falling
Freedom for us all

She's a liar
A union of lies
She's a liar

You could never tell me
I thought I had the answers
You could never tell me
How can I find the answers
How can I find the way through
Life's a bitch and she's a liar

Hold on
I'm never be the same
I'm falling
Freedom for us all

She's a liar
A union of lies
She's a liar
A union of lies
