Diamond eyes, shiny black raven hair
Hypnotized, I could only stop and stare
Like an apparition she belongs to me
I never saw a woman with such mystery

I will never let you go
Cause follow

Light up my life
Remember me, remember you - oh lord

Voices through my head
Like a distance choir
I had never known
Such a lust for desire

Then again
I was just a mortal man
Devil or angel
What I wanted her to be

I will never let you go
Cause I follow

Light up my life
Remember me, remember you - oh lord
