Bruise my heart  
With all those things you say  
You tell me how you think  
I'm nothing

Giving me these scars  
Tearing up my face  
Baby, you've got to show me some lovin'  
You've gotta tell me this!

Why you kill me, kill me,  
And mistreat me, baby  
No one loves you quite like I love you  
Why you tease me, tease me,  
And mistreat me, baby  
No one loves you quite like I love you

I just can't get enough  
Though you hurt me still  
So won't you teach me how to be stronger?

I don't wanna change  
You're the only pill  
Baby, I just can't take this much longer  
You've gotta tell me this!

Why you kill me, kill me,  
And mistreat me, baby  
No one loves you quite like I love you  
Why you tease me, tease me,  
And mistreat me, baby  
No one loves you quite like I love you

Stop tearing up my heart [x4]

Why you kill me, kill me,  
And mistreat me, baby  
No one loves you quite like I love you  
Why you tease me, tease me,  
And mistreat me, baby  
No one loves you quite like I love you

Why you kill me, kill me,  
No one loves you like I love you  
Why you tease me, tease me,  
No one loves you like I love you
