I told you till you lost your breath  
Can't trust me, cause I can't trust myself  
Just keep on walking  
Just keep on talking!  
Yeah yeah yeah!

I told you till you lost your breath  
Can't trust you, cause I can't trust myself  
Just keep on walking  
Just keep on talking!

Yeah yeah yeah!

(Don't think) I've got no heart, no soul...  
(Don't think) I've got no heart, no soul...  
(Don't think) I've got no heart, no  
No heart, no heart, no soul

(Don't think) I've got no heart, no soul...  
(Don't think) I've got no heart, no soul...  
(Don't think) I've got no heart, no  
No heart, no heart, no soul

Yeah yeah yeah!  
YEAH YEAH YEAH!
