Doo doo doo - I'm comin' home, baby now
Doo doo doo doo doo doo doo doo - I'm comin' home
now right away
Doo doo doo - I'm comin' home, baby now
Doo doo doo doo doo doo doo doo - I'm sorry now I
ever went away
Doo doo doo doo doo doo doo doo - ev'ry night an' day
I gonna stay
I'm comin' home, baby

Come on home - comin' home, baby now
You know I'm waitin' there for you - I'm comin' home
now real soon
You've been gone - comin' home, baby now
You don't know what I'm gonna do - I'm comin' home, I
know I'm overdue
Since you've been away I'm real blue - expect me any
day now real soon
I'm comin' home

Come on home - comin' home, baby now
You know I'm prayin' ev'ry night - and ev'rything is
gonna be fine
Please, come home - comin' home, baby now
I want to feel you hold me tight - expect to see me now
any time
When I'm in your arms I'm alright - when you're in my
arms I'll be fine
I'm comin' home

Come on home - I'm comin' home, baby now
You know I'm countin' ev'ry day - I'm comin' home now,
yeah yeah yeah
Use the phone - I'm comin' home, baby now
And baby, let me hear you say - I'm comin' home,
you're hearin' what I say
That you're comin' home right away - and I never will
go away
I'm comin' home

Come on home - I'm comin' home, baby now

You know I'm waitin' at the door - they can't hold me
back now no more
All alone - I'm pressin' on, baby now
And gazin' up and down the floor - oh, hear me holler
and hear me roar
Say you'll be with me evermore - gonna be with you
evermore
I'm comin' home

Come on home - I'm comin' home, baby now
Oh baby, say you're comin' home - that's what I say, I
say I'm comin' home
Something's wrong - the road is long, baby now
You are too eager right on phone -
I'm comin' home and never more to roam
Baby, tell me you're coming home - baby, I'm for sure
comin' home
I'm comin' home

Come on home - I'm comin' home, baby now
Come on home - I'm comin' home, baby now
Come on home - I'm comin' home, baby now
