I use to go for keeping company.. but now I want you
 just for me. That's the way it's gonna
 be. I'm down for double now.
 They tell me one and one are really two.. You know and
 I know this is true.. We can pair up pitch and woo.. I'm
 down for double.
 What do ya say, your gonna have to give your love to
 someone, so till that day, I'm down for double till we
 two become one.
 They tell me loves a game that I should play.. I use to
 start then run away.. Till the time you name the day..
 I'm down for double now.
 My heart is doing double takes you out to hear what
 noise it makes
 Bring back the feeling I once knew, Thrill me as only
 you can do,
 Don't keep me danglin on a string, you might be
 missing everything,

Baby I really dig you, head over heels in love with you, ,
 can't stop sceamin. Can't stop dreamin of
 you.
 Down for double, baby I'm in trouble now. Oh Yea! Oh
 Yea! Oh Yea! Oh Yea! What-da-ya say your gonna hav-
 ta give your heart to someone, so till that day I'm down
 for double till we two become one.
 They tell me love a game that I should play, I use to
 start then run away, till the time you name the day, I'm
 down for double Now.
 Oh Yea! I See, It's You! And
 Me! I'm Down For Double
