When I try to describe how I feel when you hold me  
I get butterflies lullabies, it's hard to explain  
Like the sent of a rose or the sound of the rain  
It's too precious and too wonderful to give it a name  
Too beautiful for words  
A symphony inside me  
Too beautiful for words  
I cannot take them lightly  
Can you hear my silent heart?  
It's on the tip of my tongue  
But my lips are still sealed  
Only violins and their innocence can show you how I  
feel  
And I hear them again at the end of the day  
I'm all teary-eyed when we kiss goodbye  
There's nothing I can say  
Too beautiful for words  
A symphony inside me  
Too beautiful for words  
I cannot take them lightly  
Can you hear my silent heart?  
Must be a million times  
I've tried to express this love of mine  
When it goes this deep, when it tastes this sweet  
It's not easy to define  
Too beautiful for words  
A symphony inside me  
Too beautiful for words  
I cannot take them lightly  
Can you hear my silent heart?
