What now?  
Which way?  
I've reached the cloes  
I've turned the page.

Resolve.  
Resolve.  
I have no key  
My soul is chained.

There is a time and a place for that...  
We can;  
We can;  
Fix this broken man...

Your heart,  
Your hands,  
Were in my eyes,  
Since time began.

The earth,  
The sky,  
Just visions, In an  
Endless mind.

You and I,  
We're both alike.  
Yet you have stopped  
Where I will not.

The time  
Is spent  
Each one aware  
Through countless tales

These words  
Transcribed  
My mouth, their ears  
Can you deny?

You and I,  
We're both alike.

Yet you have stopped  
Where I will not.
