Out here on this station  
Working by your side  
Running bores and pipelines  
The boundary we will ride  
And I lose my concentration  
Watching you just work away

Mustering for weeks on end  
Drafting as we go  
Brandind, tagging cattle  
And I'm sweating from head to toe  
Just from dreaming bout that shirt of yours  
On my bedroom floor

Undressing you with my eyes  
Tell me baby do you read the signs

Uh oh I'm thinking about you naked  
Uh oh steaming up as the sun goes down  
Uh oh I'm thinking about you naked  
Baby won't you come around

Friday after knock off  
We'll end up back in town  
Catching up with mates and wait  
For you to come on down  
Oh and here you come stirring naughty thoughts  
around this head of mine

Leave me breathless, restless you do  
Oh honey if you only knew

Falling faster burning to the ground  
You shake my core you turn me inside out
