Fresh cut lawn  
We're running round with it the sprinklers on  
At last it feels like winter's finally gone  
And now we're gearing up for fun, ooh

Here that sound  
Our feet are tappin' and the music's loud  
Slip slop and slappin' drinking cold ones down  
While we're soaking up the sun  
Come on everybody

Cos it's summer summer summer summer  
Our Aussie summer summer summer summer  
Our favourite time of year Christmas cheer  
Australia Day is nearly here  
It's summer, ooh

All aboard  
The boat is ready got our wetsuits on  
Jump off the jetty skiing all day long  
Then throw a line into the dam, ooh

A clear blue sky  
Has now set into a balmy night  
Corona's chasing down the fish we fried  
And as we settle in the sand  
Feeling fit and tanned

Chorus

Hot water comes out both our taps  
The snakes are under the tank  
Singlet and bikini lines  
The seatbelt's a branding iron  
The bitumen will melt your thongs  
The aircon's blasting all night long  
That's how you know your in an Aussie

Chorus
