And I know how it's to be
There is nothing more
For you and I

Some are young and some are free
But I think I'm going blind
'Cause, I think I'm going blind
And I know how it should be

Little lady can't you see?
You're so young
And so much different than I

I'm ninety three, you're sixteen
Can't you see I'm going blind
'Cause, I think I'm going blind
And I know how it should be

'Cause, I think I'm going blind
And I know how it should be
You're much younger, can't you see?
There is nothing more for you and I

I'm ninety three, you're sixteen
And I think I'm going blind
Yes, I think I'm going blind
And I know how it should be
