Los ticka toe rest
Might like-a sender doe-ree
Your make a doll a ray day sender
Bright like a penalty

Exi-tease my ray day member
Half lost a beat away
Purst in like a one way sender
War give a heart like a fay

'Cuz I can Ford a red-eed
Only street a wide a re-land
Diamond make a mid-evil
Bike a sake a like a re-caste

'Cuz I can Ford a red-eed
Only street a wide a re-land
On a re-land, find a re-land

You sink a my swan
Rolly a get a worst in
Maybe minus way far central
Poor forty duck a pin

Milk maid dud bean
Master a load a head
Pill pop a dope a well run
General hash pump a gonna led

'Cuz I can Ford a red-eed
Only street a wide a re-land
Diamond make a mid-evil
Bike a sake a like a re-caste

'Cuz I can Ford a red-eed
Only street a wide a re-land
On a re-land, find a re-land
