I've seen a friend go ride you host away the peel
My leavin' bedroom for my carvin' wheel
Joke Mister join the Navy ain't so sad in awe
Half of the jay gone century cat the call

Toast no indee gone aim no want to be a ray
She's not afraid to fear more chaste with me
Ask not and you won't find it ride

Actin' like over gentry
Maybe you're in hair
Ace like a big and hairy happy sad

Toast no indee gone aim no want to be a ray
She's not afraid to fear more chaste with me
Ask not and you won't find it ride
