"The Green Manalishi (with the two pronged crown)"
(Peter Green)

Now when the day goes to sleep
And the full moon looks
The night is so black, darkness cooks.
You come creepin' around,
Making me do things I don't wanna do.
I can't believe that you need my love so bad.
You come sneakin' around,
Trying to drive me mad.
Haunting all my dreams,
Making me see things I don't wanna see.

'cause you're The Green Manalishi
With the two-pronged crown.
All my tryin' is up,
Are you bringin' this down?
Take all my lovers away,
Leave me here
Just tryin' to keep from following you.
