THE MAN WITH THE LAUGHING HAND IS DEAD

Music: Bliss Blood, Buzz Osbourne

Lyrics: Bliss Blood

When his hand began laughing, it was Johnny open
wide

The riddle still unsolved, smoke rings subside

Untied, unravelled, unthought, unsaid

The man with the laughing hand is dead

Shaking under Pedro's head, train-crushed legs and
arms

Wicked, wicked hero, little wiggle arms

His shoes are desterted, the box is all alone

No voice is perverted by tuxedo or 'phone

Untied, unravelled, unthought, unsaid

The man with the laughing hand is dead
