Follow lead point to my head
We got Dresden solid dead
I ain't gonna stand, leaking from my hand
Don't like the front of me on a mand

Be still the messagly, distending a modern tale
By phone line might have seen on read by rhyme

The violence strike and spare
Seems fortified down square
What is the quality reaching low for side
My tears intendedly bonified

You still motor high, reach sending a modern tease
Right phone line, high voice tone, forty lee and four a
why
