Happiness is when,  
I'm near you.  
To share your smile,  
If I love to...

Happy's the day I found you.  
Happy's the world around you.

I'll never cry as long as,  
We're together.  
My happiness is you.

Happy's the way I love you.  
Happy just thinking of you.  
I've found a lifetime of pleasure,  
A hidden treasure,  
In the happiness of you.

You're the girl,  
I wanna marry.  
You're the girl that makes...  
That makes me happy.

Happy's our life together.  
Happy's our love forever.  
What more in life,  
Could you give me?

Happy's is the day,  
My life with you.  
Happiness is when I'm near you,  
To share your smile,  
If I loved you.

Happy's the day I found you.  
Happy's the world around you.  
Happy's the way I love you,  
Happy's just thinking of you.  
Happy's our life together...
