Was your mind made up?
Were you listening?
You can talk all you like,
Were you listening?
Oh no, oh no,
You can talk all you like.

Did you get enough time?
We can throw you a lifeline
And you can always take a break from the click, click,
click, click.

Oh yeah, well hold it down,
Hold it down, here we are forever-ever
Hold it down, hold it down.
Here we are forever-ever.
I only want to understand.
I only want to understand.
Yeah, yeah, yeah.

In your arms.

In your arms.

And all the words I say all my life it blows away.
Falling out, out of routine.
Afraid, I don't know what you mean.
In your arms.
In your arms.
It's not over...
Oh yeah... you can talk all you like.

It's in your arms.

In your arms.

You can talk all you like.
