Oh yeah, all of the tension
Been getting too hard not to mention
Been getting too hard to imagine
A time outside this pressure
Just to take the money
You've got me running around in circles
You just can't imagine
This place were we felt free
Yeah

You might be lucky if you try
Try putting your armour down
We'll come again
We'll come again
We'll come again
You might be lucky if you try

Sometimes it ain't no simple drop in the ocean
It's getting too hard to imagine
A time outside this common notion
I can see you take the money
You got me running around in circles
You just can't imagine
A space where we felt free
Yeah

You might be lucky if you try

Try putting your armour down
We'll come again
We'll come again
We'll come again
You might be lucky if you try
Yeah

We'll come again (x9)

Yeah
It's got me running around in circles
It don't sit so pretty when it's looking
Straight at you in the eye
You've been down but you been feeling itchy

We'll come again
We'll come again
We'll come again
You might be lucky if you try
