Hey, you've been losing half your grip
Yeah, it's getting complicated, oh yeah, oh yeah
You tried too hard to live up to your history
But it's getting complicated
If you know what I'm talking about

Tv's been pouring out some shit
Yeah it's so hard to believe in it
All because I'm talking about those stories that you
made up
Stories that you've made up yourselves
Well it's so hard to believe in it

You've been getting to grips with what this means to
me
Well you've been working your arse off for an industry
Where you know what you want but you don't know how
to get it
Raise the alarm

Tv's been pouring out some shit
Yeah it's so hard to believe in it
All because I'm talking about those stories that you
made up
Stories that you've made up yourselves
Well it's so hard to believe in it

You've all been getting to grips with what it means to
me
Well you've been working your arse off for an industry
Where you know what you want but you don't know how
to get it
Raise the alarm
