Breaking down the walls  
We've been climbing from the start  
I knew this would be hard  
And I don't know  
Where I should go now  
I don't know what to say today  
And nothing is okay

For what its worth I'm sorry  
For what its worth I'm wrong  
Tonight will never let us in  
Forget about our love  
For what its worth I'm sorry  
For what its worth I'm wrong  
Yeah

Beating myself up  
Breaking myself down again  
Cuz everywhere I look  
(You still do it)  
I know it wasn't right  
Your heart has turning its back on me  
Welcome to my life  
Yeah

For what its worth I'm sorry  
For what its worth I'm wrong  
Tonight will never let us in  
Forget about our love  
For what its worth I'm sorry  
For what its worth I'm wrong  
Yeah

Someone told me you said  
Everything was okay  
When I look into our eyes  
Your eyes are black as night  
Believe me when I tell you  
And listen to each word  
There's nothing else to say

For what its worth I'm sorry

For what its worth I'm wrong  
Tonight will never let us in  
Forget about our love  
For what its worth I'm sorry  
For what its worth I'm wrong  
Yeah
