(Dino Fekaris, N. Zesses)

You took my hand and pull me close
And gently brushed your hand against my cheek
Yeah
You whispered something in my ear so softly
I could hardly hear you speak

You stare straight in my eyes
And pull me closer and closer to your lips
And just as we were face to face
You stopped and kissed my fingertips

And I, I, I thought you loved me
When I saw that loving feeling in your eyes
And I thought you loved me, boy
When you were only kissing me goodbye

You walked up to the window
Saying how it was such a beautiful day
(Beautiful day) Yea, yea
And you stumbled through your words
As if there was something you just couldn't say
(Just couldn't say) Ohh

You listen while I told you
How happy we both are gonna be (Are gonna be)
Didn't you, didn't you, didn't you? Yeah
And then you cut me off
And said, "There's something I just didn't see"
(Just didn't see)

And I, I, I, I, I, I thought you loved me
When I saw that loving feeling in your eyes
And I thought you loved me, boy
When you were only kissing me goodbye
(And I thought)
And I thought, I thought you loved me
When I saw that loving feeling in your eyes
And I thought you loved me, boy
When you were only kissing me goodbye

No, no, no, no, and I thought you loved me
When I saw that loving feeling in your eyes
And I thought you loved me
But you were only kissing me goodbye
Whoa-oh, and I thought you loved me
I saw that loving feeling in your eyes
Whoa-oh, and I thought you loved me, baby
