Another Life From Now (Solo Recording)
(Scherrie Payne)

You and I will make a vow
To find love again somehow
We'll search for the stars that fled
Find heaven instead
Another life from now

You and I will make a pact
There will be no turning back
We'll plan every step we make
With no mistakes
Another life from now

Trouble, you're a familiar face
And in our lives, you were the place
When you make love fall from grace

Sadness in to our lives, you came
Reducing love is such a shame
Though it's hopeless
We'll never be the same

Hey, you've never been so unkind
We've wasted all this time
Chasing rainbows only to find
Ooh, ooh, ooh

We still love one another
But we can't live with each other
No, no, no, no, no, babe
No, no, no, no, no
Ooh-----

You and I will make ammends
Never to let trouble in, no
And we won't let sadness stay
Like love decay
Another life from now

You and I will say a prayer
To be true we're hereby swear
Let the trumpets now begin
Next time we're gonna win
Another life from now
