You said you loved me
We'd never part
Now you're breaking
Yes, you are breaking my heart

Baby, don't go, don't go, don't go, baby, don't go
Stay and tell me I'm still your baby

You found another love
But it can't be true
Because you love me
And I'll always love you

Baby, don't go, don't go, don't go, baby, don't go
Stay and tell me I'm still your baby

True love is hard to find
But you'll never, never, never find a love like mine
Darling, yes, my darling
Yes, stay, stay by my side

Baby, don't go, don't go, baby, don't go
Don't go, don't go, baby, don't go
Stay and tell me I'm still your baby
Stay and tell me I'm still your baby

I wanna be, I wanna be your baby
Come on
