(Pam Sawyer, Clifton Davis)

Has it been enough time to forget about the times
That weren't so good
To trade the things that we didn't understand
For the ones that we understood
You've grown so much
And I've grown a whole lot, too
Maybe when we started, we're once too excited
Love was just so new

Ooh, can we love again?
Can we love again?
Can we love again?
Can we love again?

Has it been enough time to forget about the lies?
I wish you could
Today I understand the things
You try to say for my own good
I said goodbye
And I don't remember why
But I remember you were good to me
Or it's my memory fooling me
(Now I'm gonna try to satisfy)
Gonna try (your every little need)

Ooh, can we love again?
Hey, can we love again?
Can we love again?
Can we love again?

Ooh, ooh
Ooh, ooh, ooh, ooh
Ooh, ooh
Ooh, ooh, ooh, ooh
(2x)

I said goodbye
And I don't remember why
But now I'm gonna try to satisfy

Your every little need

Ooh, can we love again?
Hey, can we love again?
Can we love again?
Can we love again?

Ooh, can we love again?
Hey, can we love again?
Oh, can we love again?
Can we love again?

Ohh baby
Hey-ey-ey, baby
You're driving me crazy
Can we love again?

Ooh baby, ooh baby
Can we love again?
Can we love again?....
