Can't Take My Eyes Off You/Quiet Nights of Quiet Stars
[Live in Japan '73]
(Bob Crewe, Bob Guido/Antonio Carlos Jobim, Gene
Lees, Buddy Kaye)

Mary/spoken intro:
Dom abigato, Jean. You know I like to sing this song for
some of my favorite things in life: men.

You're just too good to be true
And I can't take my eyes off of you
You'd be like heaven to touch
Oo-oooh, I wanna hold you so much
At long last my love has arrived
And I thank God I'm alive

You're too good to be true
I can't take my eyes off of you

Pardon the way that I stare
There's just nothing else to compare
The sight of you leaves me so weak
There are no words left to speak
But if you feel like I feel
Let me know that it's real

You're just too good to be true
I can't take my eyes off of you

Quiet nights 'n quiet stars, quiet chords from my guitar
Floating on the silence that surrounds us
Quiet thoughts 'n quiet dreams, quiet walks by quiet
streams
And the window I'm looking on the mountains and the
sea

How lovely!
This is where I long to be here with you so close to me
Until the final flicker on light embers
I who was lost and lonely, believing life was only
A bit of tragic joke, I found you

You...

I love you baby, oh, if it's alright
I need you baby to warm the lonely nights
Oh-ohh... ooh...ooh... ooh... oo-oo
I love you baby, oh baby, don't you bring me down I
pray
Oh pretty baby, now that I found you stay
Ooh, let me love you, I wanna love you
Maybe for a minute, ooh... oo-oo
I love you...
If I could speak Japanese, I really do [chuckles]
'Cause you're just too good...
Ohh, oh-oh-oh, you're just too goo-oo-oo-ood...
And I.... can't take my eyes off of you-ou-ou...
Ooh-ooh... ohh..
