Ding dong, ding dong, hear the bell
Ringing out the first Noel
Joyous chimes ring loud and clear
Spreading word the Savior's here

Humble men kneel down to pray
On this very special day
Wise men bearing gifts of love
Following a star above

Now come on kids
I want you to gather around me and fold your legs on
the floor
And we're gonna tell the story about the first Christmas
Alright Chico open your book

Joy, Berry, Terry, everybody open your book
And we're gonna sing the song and when I say, "Ding
and dong"
I want you to say the same thing with me
Alright ready? Now, open your books, good, let's go,
yeah now

Ding dong, ding dong, hear the bell
Ringing out the first Noel
Joyous chimes ring loud and clear
Spreading word the Savior's here

Humble men kneel down to pray
On this very special day
Wise men bearing gifts of love
Following a star above

Very good, now darlings
And now we're gonna sing "Ding dong"
To all the children around the world
And wish them a very Merry Christmas
Alright? Ready?

Ding dong, ding dong, hear the bell
Ringing out the first Noel
Joyous chimes ring loud and clear

Spreading word the Savior's here

Humble men kneel down to pray
On this very special day
Wise men bearing gifts of love
Following a star above

Ding dong, ding dong
Ding dong, ding dong
Merry, Merry Christmas everybody
Merry Christmas everybody
Merry Christmas everybody
Ding dong, ding dong
Ding dong, ding dong
Ding dong, ding dong
