Come on Supremes, let's sing that song!

I'm having a real good time  
Dancing the night away  
But when the music stops  
You're gonna hear me say  
Coca Cola, Coca Cola

Things go better with Coca Cola, things go better with  
Coke  
The real live one puts extra fun, in you and me and  
everyone  
Things go better with Coca Cola, things go better with  
Coke

Ooh, these bubbles thicken, can I have another glass of  
coke?  
And a little more ice.

Now that we had a break  
Giving the people rest  
Put some more records on  
Now that we feel refreshed  
From Coca Cola, Coca Cola, Coca Cola, Coca Cola  
Food goes better with, fun goes better with  
You go better with Coca Cola  
Things go better with Coca Cola, things go better with  
Coke
