I've cried through many endless nights
While holding my pillow tight
Then you came into my lonely days
With your tender lovin' sweet ways

Now I don't know where you come from, baby
Don't know where you've been, my baby
(Heaven must have sent you)
Heaven must have sent you, honey, into my arms
(Heaven must have sent you)

Now in the mornin' when I awake
There's a smile on my face
(Heaven must have sent you)
You've touched my heart with gladness
Wiped away all of my sadness
(Heaven must have sent you)

So long I've needed love right near me
A soft voice to cheer me
(Heaven must have sent you)
Heaven must have sent you, baby, into my life
(Heaven must have sent you)

It's heaven in your arms
Boy, it's the sweetness of your charms
Makes me love you more each day
In your arms I wanna stay

Wanna thank you for the joy you've brought me
Thank you for the things you taught me
(Heaven must have sent you)
Thank you for holding me close
When I needed you the most
(Heaven must have sent you)

Now I don't know much about you, baby
But I know I can't live without you, baby
(Heaven must have sent you)
Heaven must have sent you, honey
To love only me
(Heaven must have sent you)

It's heaven in your arms
Boy, it's the sweetness of your charms
Makes me love you more each day
In your arms I wanna stay

Heaven in your arms
Boy, it's the sweetness of your charms
Makes me love you more each day
In your arms I wanna stay

Wanna thank you for the joy you've brought me
Thank you for the things you taught me
(Heaven must have sent you)
Thank you for holding me close
When I needed you the most
(Heaven must have sent you)

Heaven in your arms
Boy, it's the sweetness of your charms
Makes me love you more each day
In your arms I wanna stay

Heaven in your arms
Boy, it's the sweetness of your charms
Makes me love you more each day
In your arms I wanna stay

Heaven in your arms
Boy, it's the sweetness of your charms
Makes me love you more each day
In your arms I wanna stay
