I sit and cry
I'll tell you why
I lost my love

I swear I just can't believe
How he could walk out on me
My mind's in a daze
To think that he walked away
I'll never understand
With all the love I gave that man
How he could close the door on me and say goodbye
And not a single tear fell from his eye

I gave all I had
And that was driving me mad
I lay in my bed
And count the tears that I shed
I'll go through everyday
Just like a child who lost his way
My life has lost its meaning since he said goodbye
And I just might as well lay down and die

I ain't got the love of the one I love, baby
I ain't got the love of the one I love, baby
I ain't got the love of the one I love
I'm going crazy

The look in his eyes
Were hiding all of his lies
Why just yesterday
I thought I'm sure he would say
He only wanted me
Instead he wanted to be free
And I know that he's already seeing someone else
And I'm just not here talking to myself

Oh, and I ain't got the love of the one I love
baby
I ain't got the love of the one I love, baby
I ain't got the love of the one I love
I'm going crazy

I can't go on another day
(I can't go on another day)
You might as well take my life away
I sit and cry
I'll tell you why
I lost my love

And now I can't get disguise
The tears in my eyes
I just can't conceal
The broken heart that I feel
There ain't no melody
That can do anything for me
'Cause how can I be happy with the one I love
But never had the feel the love for me

chorus
