Goodbye my love, happy life my love
I'm tired and I just can't take no more
Tired of being tough 'cause enough is enough
This time I'm really headed for the door

You better believe
I'm gonna let my heart do the walking
Walk me in to something good
I'm gonna let my heart do the walking
Oh, it ain't no make believin'
My heart's set on leaving

You take my very best and give me less
I'm tired and I just can't take no more
Your love is unstable darling, while I'm able
Gonna ease on out the door

You better believe
I'm gonna let my heart do the walking
Walk me in to something good
I'm gonna let my heart do the walking
Oh, I never thought I could
But I'm leaving for good

Gonna let it do the walking, baby
I'm gonna let it do the walking, baby

Walk on heart, walk on
Walk on heart, tip on out the door
Walk on heart, walk on
Walk on heart, tip on out the door
Walk on heart, walk on, walk on heart
Walk on out the door with your bad self

I'm gonna let my heart do the walking
Walk me in to something good
I'm gonna let my heart do the walking
Oh, I never thought I could
But I'm leaving for good

I'm gonna let it do the walking, baby
Walk me in to something good

I'm gonna let it do the walking, baby
Oh, I never thought I could
But I'm leaving for good

I'll let my heart do the walking, baby
I'm gonna let it do the walking, yes I am
I'm gonna let it do the walking, baby
I'm gonna let, let, let my heart do the walking, yeah
Walk me in to something good
Let my heart do the walking, yeah
