Can you feel, can you feel, can you feel  
Can you feel the heat?  
Don't it make, don't it make  
Don't it make you wanna move your feet

Feel what I'm feeling  
Feel what I'm feeling

A time to worry  
A time for sleep  
A time to laugh  
A time to weep

But right now it's party time  
Get on down, relax your mind  
Don't let the wheel fall off your wagon  
And catch you with your whole life dragging

Let yourself go, hey, feel what I'm feeling  
I'm feeling good, I'm feeling loose  
Ooh, kick off your shoes and stay awhile  
Just hang loose, like your style

A time to go  
A time to stay  
A time to work  
And a time to play

Don't be no fool and blow your stack  
'Cause once you leave, you ain't coming back  
Join right in with the finger popping  
Party hearty, till the whole joint's rocking

Let yourself go, hey  
Feel what I'm feeling  
Float like a feather  
Get it together

When you hear the drummer  
That funky beat  
When you hear the rhythm  
Loud and sweet

And you let yourself go

Let yourself go  
Oh, feel what I'm feeling, yeah

Let yourself go  
Feel what I'm feeling

I'm feeling good I'm feeling loose, uh, huh  
Take off your shoes and stay awhile  
Just hang loose, I like your style

Let yourself go  
Feel what I'm feeling

Can you feel, can you feel, can you feel  
Can you feel the heat  
Don't it make, don't it make  
Don't it make you wanna move your feet

Can you feel, can you feel, can you feel  
Can you feel the heat  
Don't it make, don't it make  
Don't it make you wanna move your feet

Na, na, na, na, na, na, na, na, na  
Feel what I'm feeling  
Na, na, na, na, na, na, na, na, na  
Feel what I'm feeling

Can you feel, can you feel, can you feel  
Can you feel the heat, oh yeah  
Don't it make, don't it make  
Don't it make you wanna move your feet

Can you feel, can you feel, can you feel  
Can you feel the heat, oh yeah  
Don't it make, don't it make  
Don't it make you wanna move your feet, All right

Hey

Feel what I'm feeling  
Get on down  
Feel what I'm feeling  
Oh, oh yeah

Feel what I'm feeling  
I feel it baby  
Feel what I'm feeling

I feel it baby, ooh

Na, na, na, na, na, na, na, na
