Little bright star keep shining

When He was born long ago on Christmas night  
Above His head a little star was shining bright  
The wise men followed that light above

Little bright star lead us today to His love  
([Incomprehensible])  
([Incomprehensible])

Little church bells ringing out at Christmas time  
Reminding us that the star of love still shines  
Not just at Christmas but every day

Little bright star, you're there to show us the way  
(Little bright star keep shining)  
(Little bright star keep shining)

Oh, little star shining over every land  
Just keep on glowing so the world can understand  
The joy of Christmas comes from within

Little bright star, please keep on shining for all means  
(Little bright star keep shining)  
Keep on shining, keep on shining  
(Little bright star keep shining)  
Keep on shining, keep on shining  
(Little bright star keep shining)
