Loneliness, mm, mm, mm
Is a lonely, lonely feeling, mm, mm
You can cry, but you just can't run, no
Loneliness, mm, mm, mm
Is a lonely, lonely feeling, mm, mm
When the one that you love has gone
(can't you feel I'm lonely)
Gone-- (can't you feel I'm lonely)
Oh, I'm just a fool who keeps hangin' on
Why is it I'm so weak and he's so strong?
But he never caused like he used to
It's not the same as when our love
was new
I remember when happiness was on my face
But now he's found someone to take my place
Why, oh, why think of him only?
He's giving me nothing but
[Chorus]
All these memories that keeps haunting me
Reminds me of our love that used to be
But now loneliness fills my empty room
It's not the same as when our love was new
He used to tell me that we'd never part
Why did he have to go and break my heart?
Why, oh, why think of him only?
He's giving me nothing but
[Chorus]
(Can't you feel I'm lonely)
Can't you feel that I'm lonely
(Can't you feel I'm lonely)
I'm so lonely
(Can't you feel I'm lonely)
Can't you feel that I'm lonely
(Can't you feel I'm lonely, baby)
Come on, baby, see about me
I'm lonely as can be
Loneliness is a lonely feeling
You can cry, but you just can't run
Loneliness is a lonely feeling
When the one you love is gone
Loneliness is a lonely feeling

(Loneliness I'm feeling, feeling)
Loneliness is a lonely feeling
When the one you love is gone
Loneliness is a lonely feeling
You can cry, but you just can't run...
