When you held your hand to my heart  
Dear you did something grand to my heart  
And we played the scene to perfection  
Though we didn't have the time to rehearse

Since you took control of my life  
You have become the whole of my life  
When you are away it's awful  
And when you are with me it's worse

Lover, when I'm near you  
And I hear you speak my name  
Softly in my ear and breathe a flame

Lover, when we're dancing  
Keep on glancing in my eyes  
Till love's only dancing music dies

All of my future is in you  
You're every plan I design  
Promise you'll always continue  
To be mine

Lover, please be tender  
When you're tender fears depart  
Lover, I surrender to my heart

Well, I say that the devil is in you  
And to resist you I try  
But if you didn't continue  
I would die

Lover, please be tender  
When you're tender fears depart  
Lover, I surrender to my heart  
To my heart, lover
