(B. Gordy, Jr./J. Bradford)

The best things in life are free  
But you can give them to the birds and bees  
I need money  
That's what I want  
That's what I want, yeah  
That's what I want

Your love gives me a thrill  
But your love can't pay my bill  
I need money  
That's what I want  
That's what I want, yeah  
That's what I want

Money  
Lots of money  
Whole lot of money  
Lots of money  
That's what I want, yeah  
That's what I want

Money don't get everything it's true  
What it don't get, I can't use  
I need money

That's what I want  
That's what I want, yeah  
That's what I want  
That's what I want, yeah  
That's what I want

Money, money  
Is what I want  
A whole lot of lean green  
That's what I want  
Give me money, money  
Is what I want  
That's what I want, well  
Now give me money  
ow, money

Wow, yeah, you need money  
now, give me money  
That's what I want, yeah  
That's what I want, yeah
