If I go a million miles away
I write a letter each and every day
'Cause, honey, nothin'
Nothin' can ever change this love I have for you

Ooh, make me weep, you can make me cry
See me comin' and you can pass me by
I know that nothin',
Nothin' can ever change this love I have for you

Oh, you're the apple of my eye, you're cherry pie
Oh, you're cake and ice cream
You're sugar and spice and everything nice
You're the boy of my, my, my dreams

If you wanted to leave me and roam
When you get back I'd just say welcome home
I know that nothin'
Nothin' can ever change the love I have for you

I know that nothin'
Nothin' can ever change the love I have for you
